SKILLS

- Technical skills : AV equipment (Sony FS7, lights, dolly and rails etc.), editing (Adobe Premiere Pro, Final Cut Pro), design (Canva, Procreate), storyboard, moodboard.
- Organisational skills: production folder, location recce report, schedule, develop a plan and implement it.
- Soft skills: teamwork, time management, problem solving, project pitching, multitasking.

ACADEMIC QUALIFICATIONS

- Work Placement, British Film Institute (BFI): 2023
- University of Roehampton (2020-2023) : BA Film
I wrote, produced, directed, filmed and edited three short films (drama and comedy). I learned about film history, Hollywood and popular cinema, soundtrack, a and the place of women on screen
- FCE Cambridge Test (2018).

WORK EXPERIENCE

- Film Society President (University of Roehampton):2022
I lead meetings with the committee, contact industry professionals for collaborations and run film-related events, and create a community of film-lovers.
- Organisation of the TEDxTours: 2018-2020
I greeted and informed the spectators, and installed the stage (scenery cameras & sound). I also canvassed service providers for the meal, found a venue, and wrote specifications
- Organisation of a session for the European Youth Parliament (EYP) in Tours: 2019
I canvassed schools to participate, communicated informations to the delegates, and made sure the days unfold as planned
